

# SUPPORT TEAM JACKIE

In memory  
of Jackie Orme

BATHHALF2013

With more than 250 runners, Team Jackie is the largest group taking part in the Bath Half marathon next March. We are a local group, running to raise funds for vital research into pancreatic cancer.

Our inspiration is the courage and determination of Jackie Orme, who lived in the Newbury area and, sadly, lost her fight against this devastating disease earlier this year.

## PLEASE HELP SUPPORT YOUR LOCAL TEAM

**SPONSOR OUR RUNNERS AT [WWW.JUSTGIVING.COM/DAVID-ORME1](http://WWW.JUSTGIVING.COM/DAVID-ORME1) OR TEXT TJBH99, A £ SIGN AND YOUR DONATION AMOUNT TO 70070**

For further information, or to join our team, please contact [david@david-orme.co.uk](mailto:david@david-orme.co.uk)

- Pancreatic cancer is one of the biggest cancer killers in the UK
- Every year over 8,000 people are diagnosed but, by this time it is usually too late
- Less than 250 of these people survive for more than five years
- Survival rates are no better than they were 40 years ago
- Better treatments and earlier detection could save thousands of lives

Charity Registration No. 1103253
